Terms & Conditions

CANTERING OR GALLOPING ON THE SHOWGROUND, EXCEPT IN THE RINGS OR IN THE IMMEDIATE VICINITY OF THE PRACTICE FENCE, IS STRICTLY PROHIBITED.

Anyone violating this rule is liable to be disqualified from all classes, with no refund of entry fees.

Unfortunately we are unable to accommodate colts or stallions on the show ground

Proof of age may be required in appropriate classes and prize money may be withheld until this is produced.

For safety reasons hard hats to at least the current BS standard must be worn at all times, when mounted on the show ground, and a jacket must be worn when jumping. Body protectors are also recommended.

Age as on the day of the show unless otherwise stated.

In the event of classes clashing or running late, entry fees will NOT be refunded; competitors must choose which class they want to compete in. Refund of entry fees will only be made on production of a Doctor's or Vet's Certificate. Entrants arriving late will not be admitted into a class unless at the judges discretion.

The decision of the judges and committee is final. Any objection to any award must be lodged in writing, at the Secretary's caravan on the Showground, within thirty minutes of the end of the judging of the class in question. The objector must pay a deposit of £10 to the Secretary, when the objection is lodged.

Neither the committee, nor any judge or steward or other official, shall be liable for injury to the person, or the horse or other personal property of any competitor, spectator, or other person, however arising. It is an express condition of entry that each competitor shall hold the committee judges, stewards and other officials harmless in respect of all such injury or damage.

Authorised officials and competitors **ONLY** are allowed in the ring.

*Best wishes Kimpton and
thank you for your kind support*
